

The Weather Channel has been instrumental in providing critical information to the public during natural disasters and severe weather events such as Hurricane Katrina, the 2011 tornado super outbreaks, and the January 2014 snowpocalypse that shut down much of north Georgia.

During these events, The Weather Channel's information was instrumental to the people in affected areas, giving them guidance on when to seek shelter and what weather developments to expect.

Today, I am proud to co-lead, with Representative MCBATH, a newly introduced resolution recognizing The Weather Channel on its 40th anniversary for its outstanding contributions to broadcast news and meteorology and for its role as a longstanding American institution.

#### RECOGNIZING SETH PARISH ON TAKE YOUR SON OR DAUGHTER TO WORK DAY

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, today is Take Your Son or Daughter to Work Day. While my three sons are grown, I have the privilege of having a friend of mine, Seth Parish, with me today.

Seth is 12 years old and hails from Maryland. He is actively involved in baseball, playing center outfield, ice hockey, and has recently joined the Civil Air Patrol where he learns about aerospace and survival skills.

Our schedule is busy today as the House Agriculture Committee held a 2022 farm bill review hearing. Seth joined me for that, and he is also joining me for this speech today.

In 2009, Seth's dad was serving in the Army and lost his life a month before Seth was born. This is the fourth year Seth has joined me through a program called Tuesday's Children. Tuesday's Children uses its experience and expertise to help our military families work through their own losses.

Mr. Speaker, I hope Seth is enjoying being my shadow again this year, and I can't wait to see all that he can accomplish.

#### CELEBRATING THE LIFE AND LEGACY OF NICHOLAS TROIANIELLO

(Ms. MALLIOTAKIS asked and was given permission to address the House for 1 minute.)

Ms. MALLIOTAKIS. Mr. Speaker, I rise today to celebrate the life and legacy of Nicholas Troianiello, a true American hero from Staten Island, New York.

After graduating Port Richmond High School in 1944, Nicholas joined the New York Guard where he served for 1 year before enlisting in the Marine Corps during World War II.

On February 19, 1945, Nicholas was one of 30,000 brave marines to land on the island of Iwo Jima for a battle that lasted 5 weeks and was one of the bloodiest battles during World War II. Nicholas was awarded the Purple Heart and the Conspicuous Service Award for his service to our great Nation.

Following his service, Nicolas returned to Staten Island to serve once again, this time as a member of the New York City Fire Department. He served for four decades until he retired with the esteemed title of lieutenant.

Sadly, Nicholas passed away last year at the age of 94. This weekend, I was honored to join local colleagues and Nicholas' family at a street naming ceremony last week to remember his life, legacy, and dedication to our community.

Nicholas was a true American hero who loved our country and our city, and I am proud to recognize his service today.

Mr. RASKIN. Mr. Speaker, I ask unanimous consent that all Members

There was no objection.

Mr. RASKIN. Mr. Speaker, the Rules Committee met yesterday and reported a rule, House Resolution 1065 providing for consideration of S. 3522, the Ukraine Democracy Defense Lend-Lease Act under a closed rule.

The rule provides for 1 hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Foreign Affairs. The rule provides for one motion to commit.

The rule extends recess instructions, suspension authority, and same day authority through May 13, 2022. Finally, the rule deems H. Res. 1035 as passed.

Mr. Speaker, Vladimir Putin's criminal war of aggression and atrocity against the sovereign nation of Ukraine has dismembered the second largest country in Europe. Putin's soldiers have killed more than 2,700 Ukrainian civilians and more than 100 children in Ukraine. They have raped and murdered untold numbers of women, leaving their bodies in the street. They have wounded thousands of civilians. They have displaced 10 million Ukrainians, creating the largest exodus of displaced persons since the Nazis rampaged through Europe. They have traumatized a nation.

It is a sobering thing to canvas the damage today, which is Holocaust Remembrance Day. Putin's invasion is intended to deal a fatal blow to democracy in Ukraine and around the world. Putin's lurch into fascist aggression has actually unified and galvanized the democratic world, the democratic nations, and peoples and movements of the world.

I concede that Putin still has his cheerleaders for his homophobia, his corruption, and his white nationalist racism around the world. I concede that some people, even in this body, continue to chant the filthy words "Russia hoax" to describe what we know from our own intelligence community of Putin's unceasing efforts to subvert democracy all over the world. I concede that Vladimir Putin has been called a genius by a former twice-impeached President for his assault on a sovereign democratic nation.

The vast majority of Americans and vast majority of democratic societies around the world reject Putin's atrocities against democracy. President Zelenskyy and President Biden have rallied the world against Putin and in defense of the heroic people of Ukraine standing strong against this aggression—people who have more courage in their pinky than Vladimir Putin and his thugs will ever be able to understand.

Mr. Speaker, NATO members have sent or promised at least \$8 billion in weapons to Ukraine. The billions we have sent from the United States of
